1	4/03/19	This week I want to start planning out my final major project. I want to create a coggle mind map where I can put all of my ideas onto it, I also want to create a proposal who I can state what I am creating and why. As well as this I want to also start creating my mood board. At the end of every week I plan to create a summary blog which I will write what I did complete in that week.	<ul style="list-style-type: none"> • I will need access to the internet
2	11/03/19	This week want to complete my mood board and reference the images on a separate document as well as explaining why I chose them. The second thing I want to do is to create a time plan for my production, this will help me stay organized and on track, I also need to complete questions I have been given and write the response onto my blog. I also need to complete a Week 2 summary on my blog.	<ul style="list-style-type: none"> • I will need access to the internet
3	18/03/19	Next week I want to start my research on getting information and images that I can analyse and then use what I have found out to make my magazine more success full. I will put all of my images on a document with references. I want to do some research on different magazine covers, pages and layouts, as well as doing some research on audiences by research and questionnaires.	<ul style="list-style-type: none"> • I will need access to the internet • Magazines
4	25/03/19	Next week we have a workshop lesson planned where I can do some photography using the light box so I am going to bring in some concert tickets in and cd's that are relevant to my genre. I will also continue my research.	<ul style="list-style-type: none"> • I will need access to the internet • When doing the photography I will need a camera and the light box.
5	01/04/19	I will do some more research to help me progress my ideas. I also want to do some Photoshop skills.	<ul style="list-style-type: none"> • I will need access to the internet
